**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Don't let the large phone companies dominate the internet provider selections for consumers. Be smart, have evolution and fair competition in mind. Buck up and do the right thing.

Local providers offer an alternative to the huge companies whose practices are often not in alignment with longevity or the bigger picture. Surprise yourself and do the right thing. For all of us.
