**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a small business owner and a consumer who supports broadband competition. I use SONIC (which uses ATT backbone). I believe that the new move of big telecoms to get the deregulation in place will hurt me as a consumer and as a small business owner. So, I request that you reconsider the petition by the big telecom to deregulate the critical unbundled network elements that gives my ISP giving access to to my premises.

Thanks,

Om Narasimhan
