**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I have been a subscriber with Sonic.net for 6 years now, and I am very pleased with their service and pricing. Prior to our move, I had no choice - the only options I had were AT&T or Comcast, both of which have wretched customer service and far higher pricing.

Please insure that a varied and broad set of internet providers are available to everyone. As AT&T and other giants have proven, they care nothing for their customers other than what they can milk them for. By allowing greater competition, you serve Americans by preventing monopolies where a customer is locked in to poor service and pricing, and cannot 'vote with their feet'.
