**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please do not disregard these public comments. There is too little competitive choice in telecom providers. Our provider solved an issue we heard was unsolvable from two major carriers. Our phone works perfectly now, and our internet is stable and fast! They did this by providing direct personal service, because they are locally based and committed to their customers. I value competitive choice and that oppose the USTelecom petition.
