**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We live in a free market society, and can easily see that without competition, any aspect of that society can suffer with poorer and/or higher cost products and services. We very much enjoy our local fiber optic service, being located in a somewhat rural area. Having a choice is what we find so satisfying. No change is needed.
