**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I live in a rural community and our local internet provider gives great service along with being fiber optic. I like supporting local talent and companies. I dont like my tax money being used to support outside companies giving them an unfair advantage.

Stand up straight and allow everyone to have free market choices without favoring certain companies. Competition should be on each companies own merits.
