**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Competition is what grew this country into the capitalism success story that is it today. I support broadband competition and competitive deployment! Do NOT take away access to critical unbundled network elements. Keep the internet low cost and accessible to all to allow businesses to grow by enabling competitive market entry and encouraging new network deployment!
