**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I was once stuck with bad service and paid an outrageous sums to gain access to crappy internet. Finally I was able to get DSL service with Sonic. And it has made all the difference. And only Sonic has provided me with reliable service and good rates, despite checking AT&T and other provider rates.

And after that, I was able to upgrade to Fiber for the first time in my life though Sonic. They also provide me with a competitive telephone service.

I support competition as critical to get good service.
No more price hikes.
