Broadband Internet Access Transmission as a Separate Service Under Tariff

GN Docket No. 14-28; CC Docket No. 02-33; WC Docket No. 10-90

Dear Ms. Monteith,

This filing is a correction to the earlier Notice of Discontinuance of Common Carrier Broadband Internet Access Transmission Service as a Separate Service Under Tariff filed by Scott County Telephone Company, LLC – (Study Area Code 403031). In the original filing, an incorrect attachment referring to a private carriage filing was inadvertently included. All other aspects of the filing including the Discontinuance Notice and intra-office memo were correct and true.

Enclosed with this filing is a complete copy of the correct filing excluding the incorrect attachment. Copies of the notice sent to the Arkansas Public Service Commission, the Governor of Arkansas, and the Special Assistant for Telecommunications at the Department of Defense were accurate and complete.

If you have any questions, please do not hesitate to contact me.

Sincerely,
