**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a small business owner and I support broadband competition. Having choices is critical in having good options for broadband. As in any modern business, having fast, reliable, affordable broadband is a basic utility. Local competitive carriers are key to help deliver these options. Don't let deregulation happen!
