**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Competition is great for consumers and that who the FCC is supposed to work for not for the big Telecom companies who want to monopolize the industry. Local broadband is extremely critical! Please keep access to critical unbundled network elements.

Not to mention the price hikes that will happen!
