**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I support broadband competition. After a few years of the monolithic Comcast, I use a competitive provider, Sonic.net and I've had nothing but glowing praise for them. Straight-forward/lower pricing, excellent support, and quicker adaption of newer technology. It suits my needs far better and consumers have a right to choice. I strongly oppose increased prices of internet and telephone services. As with any home, broadband is essential to our daily life.
