**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I have been satisfied with Raw Bandwidth and their service and prices. I am against raising prices and want to see more competitive providers so I can make the best choice and have the best service and be satisfied. I am content with raw bandwidth. After looking at all the servisors I saw pricing was competitive and that is wonderful.
