**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please allow for bridge 2 broadband. We highly value our local internet company for low internet prices. We do not want big telephone companies to monopolize broadband and raise prices. America has been founded on the ideals of a fair and free market. Please uphold the intention of our founding fathers and the people who created the FCC to prevent monopolies. Thank you.
