**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

My provider is Sonic. I used to have AT&T. With Sonic I can talk to a real, friendly, and helpful person when I call them with problems or questions. This does not happen with the large corporate providers. Plus I had all kinds of technical problems with large providers. Sonic is completely different. Apparently the corporations don't like the competition. Don't let them squash the competition.

I need broadband to facilitate my daily life. I use the internet constantly for information and purchases. I want no price hikes.
