**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer of a small broadband service. Living in a rural community. Our local provider is crucial to our community providing service and products that the big companies do not! Additionally our local provider provides jobs in our small town. Additionally my place of employment is located in the country and our local provider is critical to their business.
