**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a concerned citizen who is asking you to not give in to the unfair demands by AT&T to take away access to critical unbundled network elements for other broadband providers. Consumers should have more choices when it comes to their internet providers and AT&T and US Telecom are not worthy nor justified in monopolizing the internet delivery system. This has to stop...now! People need fair and transparent choices when it comes to how they spend their money on connecting and communicating. That is YOUR responsibility, not AT&T or US Telecom.
