**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We all benefit from unbundled broadband and healthy competition between telecommunications providers.

Prior to unbundling, the telecom companies had fixed sky high rates. I personally didn't know anyone with a landline, even though they knew that emergency services would have a hard time locating them in crisis.

As a physician who takes care of critically ill patients, I ask you to place public safety, as well as the American spirit of competition and anti-trust laws, above the greedy demands of the big telecom companies!

Say no to telecom lobbying and yes to American safety!
