**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I don't think you will listen. However, if you stifle fair competition, you stifle innovation and will become noncompetitive. We have only 4 mobile phone companies for 300-400 million people. The result, I pay \$3,000-\$4,000 per annum for my phones, that is crazy.

Hope you make good decisions for long term innovation and competition.
