**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I have had terrible customer service and product service with major internet and phone providers like AT&T. That's why I decided to support a local service, Sonic. They provide local customer support and better service at a much lower price point. With other costs, like rent, continuing to climb, I can't afford one more price hike. Allow for free competition. Allow consumers to make a choice.
