**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I want to have the choice to have a provider that offers flexibility in the service I need with superior service. With Sonic.net, I was originally on DSL at a higher cost, while Sonic.net offered fiber at a lower cost increasing the quality of internet connection for my home and business need + competitive telephone service that truly protects my privacy with enhanced security features. Americans should have the right to choose from a number of providers, not just one who monopolizes the industry.
