47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We chose to use a local internet provider many years ago, we started with dial-up, then went to DSL, finally, when Sonic offered high speed fiber we jumped at it. We appreciate a local supplier, no one else offers the speed or service. With telephone bundled with it, we get excellent service.
