**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please don't let at&t to be a monopolist-dictator in internet provider area. I used to be at&t customer before. And their workers were not able to fix a simple problem few weeks in a row. Then I choose sonic and they have fixed the problem in one day. It is healthy business competition, and only here a quality can grow.

If you will let at&t to brake Sonic's work- it will be very shameful situation. In the most innovative city in the world will be slow and expensive internet .

Thank you.
Ilya
