**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC, The situation is not broken. Don't fix it. This move is solely to create a monopoly, and drive out small business. Small is the backbone of the U.S., or at least politicians keep saying that to us every election cycle.

I want to have a choice with who I do business with. I don't want to be gouged for service other countries get at a reasonable price. Stand up for the consumer and support competition.
