**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a sonic customer and I support broadband competition. Sonic's service is fantastic and their prices very competitive. I can't say the same for our previous provider, Comcast. Competition benefits the consumers and our economy. I would not go back to Comcast. Now I can patronize the businesses that best serve my needs - sonic and Google (YouTube TV) and reward those companies that provide those services, rather than simply settle for what's available.
