**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Don't allow Wifi and phone providers to become a monopoly or a duopoly. We want competition to continue for everybody's benefit. We also do NOT want high prices and no choice.

Broad band is critical to everything we do at home and at the office. We work in both place and also watching entertainment that comes in through broadband is part of our business.
