**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We need competitive providers. At home, we chose Sonic because they were cheaper than ATT, offered better service and speeds than ATT for both internet and voice.

Competition is very important to me. It gives us choices. I couldn't wait to get rid of the predatory ATT which keeps raising its rates higher and higher, especially for business services.
