**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a Sonic customer. Last year Sonic put in fiber cable to our semi-rural neighborhood in Sonoma County. I switched to fiber and have been very happy with their Internet and phone service. It works very well and is not expensive. It allows me to operate a business from my home. If Sonic weren't around, I doubt I would have fiber now. I hope that you will continue to support broadband competition.

Yours truly----Peter Schurch
