**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a senior and I count on communication with the outside world via my computer, telephone and cell phone. I live in a rural area and I need the most updated technology and financially feasible technology, which Sonic has been providing for me.

The telephone service which Sonic has been providing to me is superior to all other services in my area.

Local Broadband providers are critical to my area.

Thank you for your attention to this letter.
