**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please dont allow ATT and the big companies to dominate the internet. I support the small businesses and have found they provide not only just competitive prices but superior customer service which keeps the big companies fighting. This competition creates a healthy business. Taking away reasonable access to infrastructure that has been available is only a sneaky way to force small companies out and for them to gain more customers unfairly.
