**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

It is my experience that competition is good for industry & consumers.

When monopolies become commonplace, the economy and individual rights suffer.

I currently have a local provider. They are available to troubleshoot problems, courteous yet professional in a way that often does not happen with larger, distant providers.

Please save competitive telecommunications.
