**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a small business owner that relies on a small but very reliable ISP - sonic.net for DSL & telephony services. I have been a customer for 10+ years and they have excellent service and local customer support.

Sonic relies on the unbundling of network elements to implement their network.

Please do not allow this access to be taken away from small ISP's that rely on it; reducing competition from the larger providers and increasing prices for small business owners such as myself.

Thank you.
