**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I'm a consumer who supports broadband competition. AT&T and Comcast provide expensive inferior service and difficult customer support. Broadband is critical for a higher level of service to enable me to work at home. Please allow for more competition. The amount of traffic in my area greatly slows down wireless.
