**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I support broadband competition, for many reasons I use to have AT&T service and thats the only option for me at that time it was a nightmare very slow internet connection, miserable customer service...

When the market open the door for more companies to compete Ive switched to Sonic and Ive never regretted that

So as a costumer I really appreciate that FCC keep the broadband competition
