**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Dear FCC,

Since 2005-2006 when AT&T took over its parent company SBC disaster for its customers started. Cost of service for land line and other services offered by this telephone company doubled or tripled. AT&T is taking advantage of every possible opportunity to maximize its profit, whether basic telephone service or the number of calls per day or duration of calls or late fees. AT&T is a predatory company preying on its customers. For the benefit of consumers it should not expand.
