**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I used to have DSL and now that I have fiber it means the world to me and my business. And because my current, local provider is so accessible it makes any troubleshooting that much easier. Plus, I have had such terrible experiences with Comcast and AT&T I love working with a smaller company who actually works with me as opposed to against me.
