**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I have chosen Sonic Net as my internet provider because they are a great choice for me as a competitive service provider. I used to have DSL, but because of the service Sonic offered, I now am able to have fiber at reasonable rates! Broadband is now a critical part of everyday life in our home for entertainment, business and schoolwork. I also like the comotative phone service Sonic provides.
