**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please be respectful of the need for competition among internet service providers. The dwindling number of options for us as consumers leads to poor service at high cost, and we all know how important quality internet access is. Please do what you can to discourage the monopolization of the market.
