**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

As a long time customer, I support broadband competition. My neighborhood needs more and better solutions.

I currently feel I'm settling on performance to be a subscriber to a company that is lightyears ahead of the other choice in terms of care and service. They are bound to the copper lines that should be available to all.

Don't block them.
