**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We need more competition in broadband providers. Competition allows for innovation and increased efficiencies. It's also important to me to have a choice. Local broadband providers are especially important because it supports the local community while holding bigger corporations in check. I support broadband competition and so should you.
