**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I have competitive DSL for telephone and internet today and will greatly benefit from fiber optics. Big companies like ATT have VERY bad service and increase their prices at will. I like my small service provider, Sonic. There is always some one to help and solve any problem I might have. One can actually TALK to a live person who cares, unlike with the ATT customer service. Please keep it competitive.
