**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please keep broadband services open to competition. This benefits consumers and encourages providers to be efficient. I already pay enough for my broadband services, and have no desire to pay more while receiving less. The last thing I want is to see monopolists gain exclusive control over services which are presently competitive.

Thank you for your consideration.
