**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer that supports broadband competition. I chose sonic.net as my broadband provider because they provided a competitive product with better support. Please dont take away our choice to select Our own providers. We need more options to fit our different needs. I switch from DSL to fiber and cant see myself going back. This has been by far the best company in terms of support and service.
