**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I previously had AT&T as my internet provider and was continually aggravated by problems with the service and the response to those problems, so much so that I took a chance with a much smaller company, Sonic. Their service has been incredible, resolving there issues quickly, and ones that were on my end of the line with immediate responses that guided me quickly through the problem on my end.

Any actions to restrict the smaller companies rights to access to critical unbundled network elements, is sure to result in less competition, from smaller companies that provide higher quality and lower cost.
