**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer who supports broadband competition. I have been a customer of Sonic because of their pricing which was less than that of ATT and also included a landline.

I originally became a DSL customer and have upgraded to fiber. Fiber has made streaming video much better. And I save more because I use apps streaming instead of subscribing to cable or dish services.

I will soon retire and hope to continue with cost efficient communication servers. Deregulation will likely add more to my budget.

Thank you for your time.
