**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

It is in the best interest of all Americans to have open access in the telecom arena to allow for everyone to be able to have fair and low priced internet access.

We wouldn't have an internet if the phone company wasn't deregulated decades ago. Where would the incentive be for innovation?

Fair competition is what this country is supposed to be based on!
