**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I support competition amongst broadband providers. I have fiber now, previously used DSL, and it has been a great improvement in my work/home productivity.

Measures such as those proposed by AT&T and other monopolistic carriers are anti-competitive and anti-American. Thank you for taking the time to read this.
