**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a huge supporter of broadband competition!

I'm a teacher, and having a chance to choose a service that does not have me bundle a bunch of products I don't need at an outrageous price is very important to me. I have left a provider who lied to their customers, and provided terrible customer service. They were constantly raising my rates to the point where I said enough is enough! My current provider is absolutely wonderful to their customers, and their prices are great! I don't want anymore price hikes! Soon I won't be able to afford to purchase any type of service if this happens! Thank you!
