**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I support broadband competition very strongly. The ability to choose among multiple providers yields better service at lower prices. It's simply common-sense.

I presently have a competitive DSL provider. I got 4x the speed at 1/2 the price. I would give up internet rather than go back to at&t.
