**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I have been a high speed internet customer using DSL over copper pairs, cable, and now Sonic Fiber. Gigabit Fiber is an amazing service and Sonic made huge investments in local infrastructure to bring fiber to its customers. The FCC should not pull the rug out now by eliminating the Bridge 2 Broadband. Please support local competition.
